I met with Mary Kramer at the station and she advised me that last night after her granddaughter was returned to Eickmeier she found a sock and a hooded sweatshirt that was left behind. Kramer stated that she knew she would be out that way this morning for work so she put the items in a Wal Mart bag to take out there. Kramer stated that when she got to the trailer court she hung the bag on the mail box hook and that is when she saw the coat on the ground. Kramer stated that she picked up the coat and hung that up as well.

I called Eickmeier back and advised her of my conversation with Kramer and she stated that it made more sense to her now why Kramer was there.

I met with Eickmeier who was upset that Kramer came on her property. Eickmeier stated that she heard a loud noise on the steps outside her trailer and looked out the window and saw Kramer hanging her daughter\'s coat up on the mailbox hook. I asked Eickmeier where the coat was and she said it was probably laying in the yard or driveway. Eickmeier stated that it did not matter where the coat was she does not want Kramer on her property. I advised Eickmeier that I would talk to Kramer and advise her not to go on the property.

Police exaggerated my words by saying I said Mary has it out for me. I am sure I never used that set of words. I plainly explained what Mary did and that I have had problems with her harassing me in the past. This day, Kevin's mom, Mary on my property to return child's clothes. The father is supposed to be the one responsible for the child when it's his visitation time. I have asked several time for Mary Kramer to stay off my property due to her incessantly harassing me at my home and in public while working for the city of Peru. This day she drove by in the city of Peru vehicle, and took the time to stop and come on my property to loudly return some of Madeline's things, instead of have Kevin do so. This lady put a no trespassing order on me from going on her property and I would like her to give me the same respect. She had loudly cursed at me, and followed me through the Walmart parking lot while I had my daughter with me, and she was working for the city of Peru, threatening me and placing me in apprehension for my safety. She has done this a lot. At church, etc. Joshua Store saw her parked in a parking lot one time, stalking me, and waiting for me to come out of the door, as she was leaning out the window watching me.
